Event Summary

In its second year of operations, The North Carolina Polar Plunge is seeking the support of anyone who may have a special place in their heart for the Special Olympics...or simply enjoy contributing to a cause via a fun-filled, exhilarating event. Along with the grand prize of an Oceanfront Getaway, courtesy of SAGA Construction, there will also be a modest buffet and t-shirts for participants. For more detailed info visit www.NCPolarPlunge.com, we encourage online registration but on-site registration is available as well. www.FirstGiving.com/SONC is an electronic fundraising medium that can be used to "blast email" all those who you feel may back your personal participation in this Atlantic Plunge. FirstGiving allows you to build a personal page and track your contributors and amount earned in an extremely efficient manner. Below are more specific details and even if you are shy to jump in the cold ocean, you can participate as a "Catcher", which is a participant who waits on land with a warm towel for plungers who run out of the frigid water.

For any questions contact Andrew Madey at (252) 441-2151 or amadey@ncpolarplunge.com.
